Good Afternoon,

I would like to draft a resolution regarding the Honor and Remember Flag. Multiple other states have done this same type of legislation and I would like to follow their example. I want the resolution to describe the flag's colors and meaning behind them.

The purpose I would like to achieve is it be designated as the state's emblem of the service and sacrifice by those in the United States Armed Forces who have given their lives in the line of duty. I do not want this flag to cost the state any money or designated to be flown in specific places.

The Oklahoma example is the one I would prefer to follow. If you have any questions or need anything from me please email or call me at any time.

### PERSONALIZING THE FLAG

A unique feature of the Honor and Remember Flag design is the ability to personalize it. The name of a specific loved one can be added as a tribute. An essential goal of our organization is to place a personalized flag in the hands of the immediate families of every man and woman who died in military service to America. We have presented flags in honor of those who died in war or in peacetime from WWII through today, and we will continue this part of our mission until all are respectfully remembered. Individuals and organizations also have sponsored and presented personalized flags on their own behalf.

Ultimately, we anticipate distributing tens of thousands of personalized flags. You can help by making a donation, purchasing merchandise or sponsoring a flag to honor these heroes.

CPL George A. Lutz, II  
 December 12, 1980 - December 29, 2005

### THE FLAG'S ORIGIN

On December 29, 2005, George Anthony Lutz II (Tony) was killed by a sniper's bullet while he was on patrol in Fallujah, Iraq. His family and friends endured the shock, emotional agony and overwhelming loss that accompanied the news of Tony's death, just like the many families who have suffered the same tragedy.

In the months that followed Tony's funeral, his father, George, visited other families who had lost loved ones in the War on Terror. He began to sense that he had joined the ranks of a unique fellowship. These families were only the latest additions to a group that originated with the American Revolution, when the first soldiers to shed their blood for our freedom gave their lives.

George found another commonality among the families of fallen heroes. After their grief had transitioned to numbness and finally to acceptance, many families wanted to know two things: their sacrifice was not in vain and the nation would never forget. These concerns led George on a quest to discover if there was a universally recognized public symbol that specifically acknowledges the men and women of our U.S. Armed Forces who never made it home. To his surprise, he found nothing. Consequently, the Honor and Remember Flag was conceived.

## "THERE ARE CERTAIN THINGS THAT BIND US AND TRANSCEND THE GENERATIONS"

### A NATIONAL REMEMBRANCE FLAG

In the more than 200 years of our nation's history, there has never been an officially recognized symbol that reminds us daily of the sacrifices made by members of our military who lost their lives in service to our country. Until now. The Honor and Remember organization has launched a national campaign to create an emblem with which every patriotic American can acknowledge daily the ultimate price of freedom.

The Honor and Remember Flag recognizes all individuals who have died as a result of serving in the United States military dating back to the founding of our nation. The flag serves as a symbol of national gratitude for the hundreds of thousands of American men and women who bravely made the ultimate sacrifice to preserve the freedoms we enjoy. The flag also helps to promote healing for the thousands of families that deserve recognition for the sacrifice of a lost loved one. It will be a nationally recognized reminder to all Americans of the value of each individual life given for our freedom.

Our goal is for the flag to be congressionally and militarily sanctioned as a permanent symbol to fly continuously in eternal honor and remembrance of fallen military service men and women. Our mission is to encourage all Americans to fly this new emblem wherever our national flag is flown. An important objective is to place an Honor and Remember Flag in the hands of the immediate families who have lost someone in military service to America. Please support the congressional bill that recognizes the flag.

The Honor and Remember Flag

### HOW CAN I HELP GET THE FLAG FLYING?

**VISIT** [www.HonorandRemember.org](http://www.HonorandRemember.org) and sign the petition. Our goal is that Congress will enact a law officially recognizing the Honor and Remember Flag.

**CONTACT** your U.S. senators, your member of the House of Representatives and your state lawmakers and ask them to support Honor and Remember Flag legislation.

**FLY** the Honor and Remember Flag. Make it a part of your family's traditions when you fly the American flag.

**CONTRIBUTE.** There are many expenses involved in conducting this national campaign. Any support you can provide will help us to fulfill our mission.

### THE FLAG'S SYMBOLISM

The Honor and Remember Flag's design is distinctive, yet simple. Each detail on the flag symbolizes an important part of the overall meaning of the flag's message.

**The Red Field** represents the blood spilled by brave men and women in America's military throughout our history, who gave their lives so that our nation would remain free.

**The White Field** below the gold star recognizes the purity of sacrifice. There is no greater price an American can pay than to give his or her life in service to our country.

**The Blue Star** represents active service in military conflict. This symbol originated with World War I, but on this flag it signifies service in all wars from the American Revolution to present day.

**The Gold Star** signifies the ultimate sacrifice of a warrior in active service who will not return home. Gold reflects the value of the life that was given.

**The Folded Flag** signifies the final tribute to an individual life presented to the family for their significant loss.

**The Flame** is an eternal reminder of the spirit that has departed this life yet burns on in the memory of all who knew and loved the fallen hero.

*We will always Honor their selfless sacrifice and Remember them individually by name.*

When displayed with the American Flag as the POW/MIA Flag, the Honor and Remember Flag should fly below them.

## CHAPTER 66

**AN ACT** designating the "Honor and Remember Flag" as the State's official flag for recognizing those of the United States Armed Forces who have given their lives in the line of duty and supplementing chapter 3 of Title 52 of the Revised Statutes.

**WHEREAS**, Through the more than 200 years of our nation's history, many millions have served in the armed forces and many hundreds of thousands have died in the line of duty for the United States; and

**WHEREAS**, Nonetheless, there has never been an official symbol to remind us of these brave members of our military who have lost their lives in our defense; and

**WHEREAS**, The "Honor and Remember Flag" will serve as that symbol, affording us a means to express our gratitude to the armed service members who have made the ultimate sacrifice, along with their families, who have also endured immense loss; and

**WHEREAS**, The flag recognizes all armed service members who have died as a result of serving the United States in any war or conflict the nation has been involved in since its inception; and

**WHEREAS**, The "Honor and Remember Flag" contains several elements, consisting of a red field to represent the blood of the brave men and women who sacrificed their lives for our freedom, a blue star, which has been a symbol of active service in military conflict ever since World War I, a white border to recognize the purity of sacrifice, a gold star to symbolize those who have made the ultimate sacrifice in service to our country, a folded flag element to highlight our nation's final tribute to a fallen service member, and a flame to symbolize the eternal spirit of the departed; and

**WHEREAS**, The flag was conceived by George Lutz, the father of George Anthony Lutz II, "Tony," who was killed by a sniper's bullet while he was on patrol in Fallujah, Iraq on December 29, 2005; and

**WHEREAS**, During the emotional months that followed Tony's death, Mr. Lutz visited other families who had lost loved ones in the Iraq war, and was overcome with a sense that he had joined the ranks of a unique fellowship, and found consistently that these other families shared a desire to know that their loved one's sacrifice was not in vain and that the nation would never forget; and

**WHEREAS**, After Mr. Lutz learned that the nation did not have an officially recognized symbol to acknowledge the sacrifice of the estimated 1.6 million American service members who have given their lives, the "Honor and Remember Flag" was created; and

**WHEREAS**, To ensure that we never forget the immense sacrifices of fallen soldiers and their families, it is fitting for this State to properly symbolize its gratitude; now, therefore,

**BE IT ENACTED** by the Senate and General Assembly of the State of New Jersey:

### C.52:3-13 Designation of "Honor and Remember Flag."

1. The "Honor and Remember Flag" is designated as the State's official flag for recognizing all armed service members who have died as a result of serving the United States in any war or conflict the nation has been involved in since its inception.

2. This act shall take effect immediately.
